Greetings Parents:

Your Title I committee consists of four parents who are elected by the parent body and volunteer to collectively bring you the resources, workshops, and activities you have requested.

What Is Title I, you ask:

"Title I" is the federal program that provides funding to local school districts to improve the academic achievement of disadvantaged students. It is part of the Elementary and Secondary Education Act first passed in 1965. That Act is reauthorized by Congress from time to time, and often given a new name. It is currently known as the No Child Left Behind Act. These programs must specifically serve students who are failing to meet academic standards or at risk of failing because they are disadvantaged. However, if more than 40% of the students in a school qualify as disadvantaged, the school is allowed to run "schoolwide" programs that serve all students, not just the disadvantaged.

How can you get involved, glad you asked:

The Title I Committee and The Parent Association meet the second Wednesday of every month at 6:30pm in the school cafeteria.

Your Voice, Your Vote:

You can share your concerns and recommendations with the committee by attending the monthly meetings or completing surveys.

Make an Impact:

All programs, workshops, resources, and activities are made possible through parents making their needs and skills known to the committee. We are in need of parent volunteers to share their skills and resources. If you have an ideas for a workshop or an outing, please add your comment to our survey!

Sincerely,
Title I Committee
